Further, your Petitioner represents that it is the owner of U.S. Patent No. 7,399,948, which issued on U.S. Patent Application No. 10/959,608, filed October 7, 2004, by virtue of an Assignment filed and recorded on February 3, 2005, on Reel/Frame 016228/0188, and a Name Change filed on July 14, 2009 and recorded on Reel/Frame 022951/0293, and a Name Change filed on July

Your Petitioner, BEHR FRANCE ROUFFACH SAS, hereby disclaims the terminal part of the term of any patent granted on the above identified patent application which would extend beyond the full statutory term, as shortened by any terminal disclaimer, of U.S. Patent 7,399,948, and hereby agrees that any patent so granted on the above identified patent application shall be enforceable only for and during such period that the legal title to U.S. Patent 7,399,948 shall be the same as the legal title to any patent granted on the above identified patent application, this agreement to run with any patent granted on the above identified patent application and to be binding upon the grantee, its successors or assigns.

Further, Petitioner does not disclaim any terminal part of a patent granted on the above identified patent application that would extend beyond the present termination of U.S. Patent 7,399,948, in the event that such present term is extended by virtue of compliance with the conditions for term extension of any present or future patent term extension provisions of the patent law, including but not limited to 35 U.S.C. §§155, 155A or 156, and without waiving Petitioner's right to extend the term of a patent granted on the above identified patent application to the extent provided by law.
